What our customers say about GaN

"GaN does not shy away from helping to resolve issues of complexity and / or multi-functional applications."

RTC COTR

"GaN quickly established an environment of teamwork and customer support. This assisted in a smooth contract initiation. The productive environment also served to attract highly skilled professionals to join GaN."

OTC COR

"[The] ability of the GaN employees to form a tight team that worked together to share information in addition to bonding closely with government personnel has been remarkable."

OTC Technical Lead

"[GaN is] the epitome of what a small business should strive to be and is an obvious choice as the Small Business Prime Contractor of the Year."

Deputy Director of the
WSMR Small Business Office

"The excellent performance and talent exhibited by the GaN team is most appreciated by the Huntsville Center of the USACE! Thank you! Thanks to all of you for going the "Extra Mile!"
